Hello Parents,

This information is used to place your child in a class with other students closest to his/her ability level. Please be as accurate as possible when documenting their ability. This will better help us to group your child so they will have a more enjoyable and safe experience. Students are asked not to switch between skiing and boarding.

Skiing and Snowboarding, like any sport, have an inherent risk of injury. In case of injury, I will not hold Lost Trail Powder Mountain or the Snowsports School responsible.

Please complete either ski or snowboarding, not both.
